

Updating Internet Explorer Popup Blocker for Proper Site Access

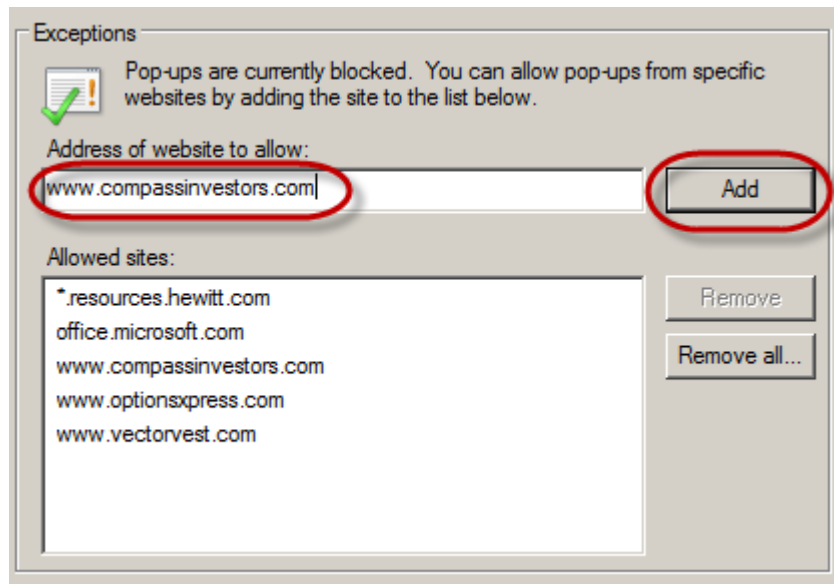

These steps are needed to allow proper functioning of and access to the subscriber areas of the Compass Investors website. These instructions were created for the industry-leading Internet Explorer™ browser program, which includes a pop-up blocker in version 6.0 and higher. If you use a pop-up blocker other than Internet Explorer™, please consult your program’s User’s Guide for specific instructions on how to add a website to your list of approved websites.

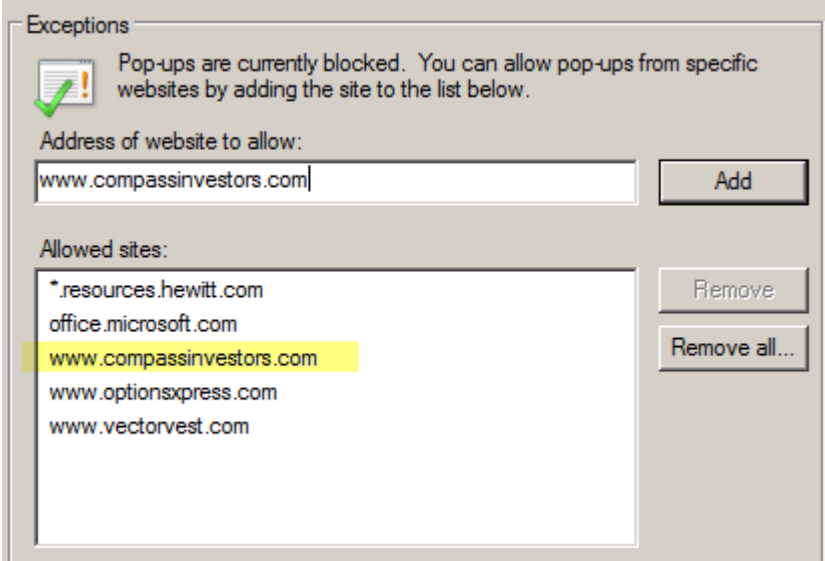

Step	Screen View
<p>1. Click on 'Tools' icon in the upper RIGHT corner and select 'Internet Options' from the dropdown menu.</p>	 <p>A screenshot of the Internet Explorer browser window. The 'Tools' menu is open, showing options like Print, File, Zoom (105%), Safety, View downloads (Ctrl+J), Manage add-ons, F12 developer tools, Go to pinned sites, Internet options (highlighted in blue), and About Internet Explorer. A red circle highlights the gear icon in the top right corner of the browser window, which is the 'Tools' menu icon.</p>
<p>2. Select the 'Privacy' tab in the 'Internet Options' window.</p>	 <p>A screenshot of the 'Internet Options' dialog box in Internet Explorer. The 'Privacy' tab is selected and circled in red. The 'Home page' section shows a text box containing 'https://www.google.com/'. Below the text box are three buttons: 'Use current', 'Use default', and 'Use blank'.</p>

3. Click the **'Settings'** button in the 'Internet Options' window in the 'Pop-up Blocker' section

4. In the **'Pop-up Blocker Settings'** window, enter **'www.compassinvestors.com'** in the 'Address of website to allow' text entry box and click the **'Add'** button.

<p>5. Confirm that 'www.compassinvestors.com' is now listed in the 'Allowed sites' section.</p> <ul style="list-style-type: none">- If not, repeat step 4 above.- If so, click the 'Close' button	 <p>The screenshot shows the 'Exceptions' dialog box in Internet Options. It has a title bar 'Exceptions' and a message: 'Pop-ups are currently blocked. You can allow pop-ups from specific websites by adding the site to the list below.' There is a green checkmark icon. Below the message is a text box labeled 'Address of website to allow:' containing 'www.compassinvestors.com' and an 'Add' button. Below that is a list box labeled 'Allowed sites:' containing: '*.resources.hewitt.com', 'office.microsoft.com', 'www.compassinvestors.com' (highlighted in yellow), 'www.optionsxpress.com', and 'www.vectorvest.com'. To the right of the list are 'Remove' and 'Remove all...' buttons.</p>
<p>6. Click the 'OK' button in the 'Internet Options' window to save your changes.</p>	
<p>7. Close all open web browsers. You should now be able to sign-in to our website using your User Name and Password.</p>
